# EDITORIAL

Welcome to the Summer Chronicle. You will find the usual contributors and some updates from our organisations, and it's great to see more things returning to normal as you will read about in the pages that follow.

As this edition comes together we are fast approaching two significant events – HM The Queen's Platinum Jubilee Celebration and the Feast of Pentecost. It is significant that on Sunday 5<sup>th</sup> June we will celebrate both! We give thanks to God for the dedication and long life of HM The Queen and celebrate the Church's birthday – all at the same time!

As you travel on your holidays this year please send back postcards and pictures to your church family here at BCPC. There will be little "leaving cards" available in the vestibule for you to leave a blessing from BCPC wherever you travel. How far can God's love travel in 2022?

**The Chronicle acts as your invitation to the Lord's Supper, celebrated quarterly. However, due to possible holidays, the next issue will be slightly later than normal. The deadline for Submission is 11<sup>th</sup> September with paper copies available Sunday 18<sup>th</sup> September.**

Please email your articles/news to [hello@bellshillcentral.church](mailto:hello@bellshillcentral.church)  
Thanks, Alan (huge thank you to the super proof reader Peggy!)

# FROM THE MANSE

Greetings all

As I pen this letter it is quite incredible to acknowledge that we are almost halfway through the year and what a year it is proving to be.

We, as the Church of Scotland, are actively seeking to discern the will of God for us at every level of our shared life. This will inevitably impact us at Bellshill Central, but I am confident that we will see God at work and that we will be strengthened in faith, hope and love.

One of the joys of being a parish minister is that I am given a glimpse into how God is at work in the wider sense of community and presbytery. On the 15th May, for instance, I was fulfilling one of my responsibilities as interim moderator at St Mark's in Wishaw. I had to chair the Annual Stated Meeting and this offered me an opportunity to gather with the congregation at St Mark's to join with them in thanking God for God's faithfulness these past few years. A church meeting can be seen as just another bit of business, but when placed in the context of worship, it reminds us that God is truly faithful and at work in the church and the wider community. My time at St Mark's reminded me that God is indeed at work throughout Lanarkshire.

While I was away at St Mark's, Alan was leading us in a festival of music at Bellshill Central. We are so blessed to have such a remarkable organist who is so willing to share his gifts, his time and his energy with us. The act

of worship on the 15th May, which followed his Hymnathon on the 14th, reminded me of the incredible gift of music as we sing our way into an awareness of God's presence.

If I had been at Bellshill Central on the 15th May, I would have continued in my series on God's revelation and God's reign. One of the most remarkable truths of the Christian faith is that God does choose to reveal Godself and that we are privileged to share in God's reign.

The two questions that I would have offered Bellshill Central on the 15th May as part of my sermon are valuable questions to ask of ourselves as we celebrate what God is doing in our midst and as we reflect on where God might be leading us. I thus offer them in my pastoral letter as an invitation to reflect on our shared life as we head into the summer months.

- a) How will I share in the reign of God this coming week/month/year? In other words – how will I try to enter into a sense of what God is doing not only in my life as an individual, but also in terms of the wider sense of congregation, community, country and world?
- b) How might I think globally and act locally? In other words – what one large issue, for example racism, sexism, pollution, war or poverty might I reflect on and respond to in such a way as to make a small difference in my local setting?

My honest prayer is that we will continue to trust God even during these times of challenge and uncertainty.

God bless

*Kevin de Beer*

# GUILD NEWS

Hello and here is an update from the Guild, by way of a re-cap of our previous meetings.

On 14 February we had Treasures and Memorabilia. This was very interesting and most people brought something which they treasured.

On 21 February we had a Speaker talking about VIP Royalty and Dignitaries. This talk lasted an hour and the Speaker told us about his career as a driver for Royals and VIPs.

We had a Bring and Buy on Monday, 28 February which raised money for Guild funds.

On March 7, we had an Outing to Faraday Park which everyone enjoyed and had a cup of tea and a blether.

On 14 March we had a Speaker from Therapets who brought her Old English Sheepdog with her. She spoke about how pets can soothe the spirits of people in Hospitals and Hospices and told us she went into Schools too. Most enjoyable.

On 21 March we were supposed to have a Speaker talking about Before We Had Telly but she never turned up and we played Stop The Bus which gave everyone a good laugh.

Our Guild Guest Night on 28 March was an entire success. The Caledonian Fiddle Orchestra entertained us well and everyone enjoyed the tea, sausage rolls and home baking afterwards.

On 4 April we had an Outing to The Range at Carmyle with a cup of tea and a cake, of course.

On 11 April we should have had a Speaker from one of our Projects, Home for Good but he is now coming on 13th June. We played Steal and had a Quiz.

Monday 18 April was an Easter Holiday and we were supposed to have an Easter Bonnet Parade but we decided not to meet.

On 25 April we had a Speaker who spoke about Made In Scotland. This was very interesting and informative and we were all surprised at how many things were made in Scotland.

Then it was time to rest – 2 May was a Holiday.

On 9 May we had an Outing to Rosebank Garden Centre and this was enjoyed by all and we met up in the cafe for tea and cakes.

On 16 May we had a Speaker telling us all about The Pailis. He brought memorabilia and loads of photographs. We had a few visitors with us and we all enjoyed his talk.

On 23 May we had a lady from St. Andrew's Hospice Charity Shop looking for Volunteers. She spoke for 10 minutes telling us what was involved and left forms for anyone who was interested.

We then had our AGM and discussion of the new Syllabus. At time of writing, we had no-one to take the President's or the Secretary's vacant positions. A couple of people were giving it consideration.

We are a friendly bunch. Why not come and join us. Men are welcome too. We meet Mondays at 1.30pm, October to March, although this year we are meeting up until 20 June, when we will be having a meal out.

*Liz Morton*, President.

# COIN BOXES

Between 1 March and 23 May 2022, a total of £160.63 was banked from cash received via the Coin Boxes which is about £10 more than the same period last year. If you are happy to give your small change to the Church, we are very happy to receive it! Every penny is appreciated.

*Peggy Walker*

# WALKING GROUP

## Heart and Sole finally resumed!

We continue to meet most Tuesdays, normally at 7pm beginning from either Anne Guy's House or the Church. We finish off with a cuppa, some treats and a good gab.

You are welcome to walk and talk, then sit and talk  
- or one or the other!

We walk for around 45mins to an hour and nothing is too strenuous.

During the summer we may venture a bit further, perhaps a wee day away somewhere, and of course an end of pavement meal when the weather decides walking is over for 2022!!!

The usual walkers are: Anne, Zandra, June C, Sheena McK, Alan, Mary, June B and Peggy. Stanley joins us for tea.

# ST ANDREW'S HOSPICE, AIRDRIE

The Hospice shop in Bellshill is looking for volunteers. Help is needed to:

- Sort through items donated and put them on display
- Keep the shop clean and tidy
- Attend to customers' needs and accept payment for sales

You can decide when you are willing to work and what sort of role you wish to undertake.

According to their website, the hospice needs to raise £88,000 per week to provide the care they offer so the revenue from their shops is obviously important. If you can spare any time, please call into the shop and speak to any of the staff.

## BCPC BOWLING CLUB

Our Church Bowling Club was able to resume once restrictions ended and it was good to see familiar faces, plus some new ones who joined this year. We changed our meeting time to 2pm, but still on Wednesdays.

We will have a break in the summer months, please look out for the Pews News for dates when we will be meeting. A warm welcome is guaranteed, and good fun is promised.

# CLLR ANGELA CAMPBELL

Delighted that we are getting into my favourite time of year – summer when there is so much colour from flowers and flowering shrubs. I love the long hours of daylight; maybe not so much if wakened around 4 am due to brightness and birdsong, but I always feel so much more positive at this time. Watching the beautiful gardens around Bellshill, I hope those eligible enter the North Lanarkshire garden competition.

I also enjoy walking but really dislike doing so in the rain so, having regained some fitness walking up to 37000 steps a day over recent weeks, I am looking forward to walking for pleasure once more over summer. I am delighted to see your walking group has restarted as walking is not just good for your health but can be a great way to meet and get to know people. Even walking alone is my way of thinking through any problems I may have - something I have done since my teens; better than an argument with mum and dad as I came back calmer and ready to listen.

I have started hillwalking with two colleagues in recent years and the climb is worth it for the views and of course improved fitness. Thankfully, like me, they do not go out if the forecast is for heavy rain.

I am hoping to do some walking over at Assisi, Spello and Perugia over the summer break – I have really missed my walks in this area. Most are hilly but some are flat, including along to the War Cemetery at Rivertorto

which is a haven of peace regardless of the number of tourists in the surrounding area.

Wishing everyone a lovely relaxing summer and hopefully the worst of Covid is behind us now and life will return to as near as possible to how life was pre pandemic.

## AMAZON SMILE

By using Amazon Smile and looking for **Bellshill: Central Parish Church of Scotland** you can set up Amazon Donates so that BCPC get a donation from Amazon each time you shop.

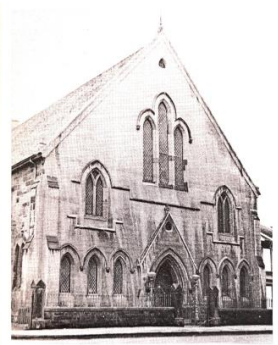

All at no extra cost to you. Remember every penny counts and your support is greatly appreciated.

# CHURCH HISTORY

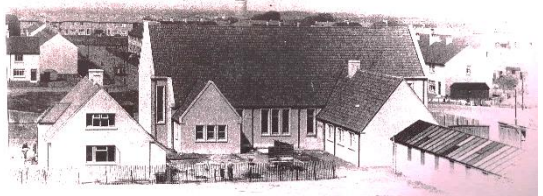

Our congregation can trace it's roots back to 1873! So our continued witness in Bellshill and Mossend celebrates 150 years in 2023. The building has been known as Bellshill Free Church, the East UF Church, Macdonald Memorial Church and now Bellshill Central Parish Church; and of course incorporates the Christian Witness that was Orbiston Parish Church.

The  
Macdonald Memorial Church  
1873 - 1973

The time is now right to bring our church history right up to date and we are going to produce the next 50 years in a publication called **“The Story of a Church – 346 Main Street – 1973-2023”** and we want you to be part of it.

## We need you!!!

You're invited to send in your random memories of the last 50 years – let us see what we get! Random bits of news can be more interesting than just a list of things.

Look through your old pictures of church events, occasions, groups etc and let us borrow them to compile the picture element of the book.

Former members and friends of Orbiston Parish Church are invited to send in items from this branch of our family tree over the past 50 years too. Our union has been happy, productive and fruitful and we want to record similar milestone events from Busby Road.

# PRAYER GROUP

This continues to be integral part of our life here at BCPC and it proves to be such a continued blessing.

We meet via Zoom, we listen, we read scripture and we read some prayers. Kevin leads us in intercessions for ourselves and each other.

New members to our group are welcome. Just ask for the joining link or code (usually they are in the weekly pews news).

If you can't take part when we meet, or you feel you want to pray on your own (and this is ok!) you can take part by watching our time together via the Church Website <https://bellshillcentral.church/prayer-group/>

## LIFE AND WORK

As this article is being written, the General Assembly of the Church of Scotland is taking place. Reports on the daily proceedings can be found here

<https://www.lifeandwork.org/features/features/view/634-general-assembly-2022>

A free summary of the full event will also be available for download from the beginning of June.

# HOLY WEEK 2022

We took part in 4 different types of services and events this Holy Week 2022.

We began with David Fisher for our Holy Week Organ Meditations which raised over £130 for the Ukraine Appeal.

Thursday was a service of readings, a Tenebrae Service. We planned to have communion, but Kevin caught COVID-19. Instead we focussed on the readings, the light from the Candles and reflection. We welcomed some friends from St Andrew's.

On Friday our church was open from 11am to 1pm for private prayer. A few folks came in and sat for a time. It was a touching time.

In the evening some members joined with St Andrew's Church for a Good Friday service.

# FROM DAVID FISHER

## Wednesday 13th April - Organ Recital

It was an absolute delight to return to the organ at Bellshill Central after a sixteen year gap and accept Alan's kind invitation to play Holy Week organ meditations.

This was my first visit since the organ was overhauled, and its looking great and sounding as good as ever.

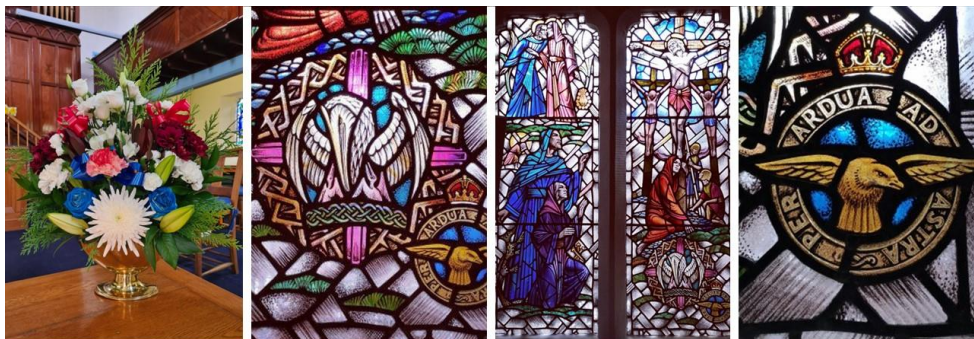

I brought my good friend Maureen Todd, a wonderful Soprano I met through the theatre, to sing, allowing me to select a more varied choice of music.

Over the evening, the programme consisted of:

- Ah Holy Jesus/ O love Divine - Lloyd Larson, quoting 'Passion Chorale' by Hans Leo Hasslet and 'Herzliebster Jesu' by Johann Cruger
- Laudate Dominum - Mozart
- Panis Angelicus 'O Lord Most Holy' - Cesar Franck
- The Lord is my shepherd - Howard Goodall
- Paen of promise - Joseph M Martin
- All in the April evening - Sir Hugh S Roberton
- The Lord's prayer - Albert Malotte
- God so loved the world - Sir John Stainer
- Pie Jesu - Andrew Lloyd-Webber
- Intermezzo from Cavalleria Rusticana - Mascagni
- I know that my Redeemer liveth - Handel

adjusted to lockdown which has for many resulted in poor mental

and Grief is an informal discussion group, in a relaxed familiar setting

# The Corbett Memorial

## Sunday 29 May 2022

Our worship was enhanced by beautiful flowers in memory of Sergeant James Corbett. The Sunday closest to his death is remembered each year.

The four central windows were gifted by Matthew Corbett, in memory of his son Sergeant James Brownlie Corbett of the Royal Air Force, who was shot down and killed over Holland on 26 May 1943. These windows were designed and fitted by the Abbey Studio - likely under the direction of James Crombie. They were dedicated on 7 October 1962.

The Good Friday Window contains an RAF roundel marking the significance of the services for James.

# FUNDRAISING NOTE

## **Jubilee Lunch**

Firstly – the fundraising team would like to say a huge thank you to everyone that came along and supported the Jubilee Lunch. I think you will all agree that it was a wonderful day. The feedback has been very positive, and I think everyone found it just amazing to sit and enjoy a chat and social time with their friends whilst paying homage to our wonderful Queen.

Secondly, I personally would like to thank the fundraising angels that we have without whom none of this would have taken place. They are an absolute dream and give freely of their time and talents to maintain the wonderful fellowship and fundraising events on a regular basis.

**Clothes Show** - Huge thanks to Anne Guy for organising her clothes show once again – always a popular event!

**Hymnathon** – thanks to Alan and his wonderful talent we have had another successful fundraising event.

Keep your eyes peeled for some upcoming events later this year. For those of you fit to take up the challenge we are hoping to organise a 5k event around Strathclyde Park on 10 September.

We will continue to plan for further fundraising events – if you have an idea that you would like us to consider – please advise any member of the team and we will be sure to chat about it.

Continued thanks to you all for supporting us.

*Jane and the Fundraising Angels.*

# The Rainbows

The girls have been doing well and nearly all of them have now made their promise. They have also all worked hard to gain two new badges during this session.

They have done lots of activities and we even managed to go outside to plant flowers in pots to sit on the decking area which will hopefully bloom during the summertime (if we get one)!

They loved doing the big frieze on our board which showed the different seasons as part of one of their badges and also learned how to look after a pet for a week. They have also just finished doing Platinum Jubilee pictures which now have pride of place where the frieze has been.

We have also just finished making a card to send to Buckingham Palace to congratulate the Queen in her Jubilee Year so who knows we might even get a reply back.

Time has flown by so quickly since starting back after Christmas and it is lovely to be back working with all the girls again. Not long now before our summer break which will end with a beach party night. Hoping you all have a lovely summer and may the sun shine!!

*Chemaine Jarvie*

# FINANCE UPDATE

The main source of financial support for Bellshill Central is the committed Christian giving of the membership. Thank you to the congregation for their generous donations to the ongoing work of the Church during the first quarter of 2022.

WFO for the 3 months to 31 March 2022, amounted to £7535.45, which is slightly below our £8000 forecast for 3 months. Open Plate, however, has exceeded our target by £340.15.
